

PE ART'S HARMONY

*Art that tells a story.*

Lendava, 24. March 2025

**Dear ANTRE s. r. o. team,**

*We extend our heartfelt gratitude for the outstanding organization and professional execution of the 30th International Trade Fair of Practice Enterprises in Prague. Your dedication, expertise, and kindness created a welcoming environment where all participants could connect, learn, and grow.*

*For our practice enterprise, ART'S HARMONY, taking part in the fair was an unforgettable experience that we will always cherish. The event was executed with the highest level of professionalism, and your unwavering support, friendliness, and expertise significantly contributed to the positive experience of all participants. You were always available whenever we needed assistance, ensuring a smooth and enjoyable presentation of our practice enterprise. We are especially proud to have received the award for the 2nd most beautiful catalogue at the fair - an achievement that means a great deal to us, as it recognizes the effort and creativity we put into our work.*

*Leaving Prague was bittersweet, but we take with us wonderful memories and the hope of meeting again in the future - perhaps even in the real business world.*

*Once again, thank you for your dedication, hard work, and the flawlessly executed event. We sincerely appreciate your efforts and look forward to seeing you continue to connect practice enterprises and foster the entrepreneurial spirit of young people worldwide.*
